

Prix-Fixe-Meetings = Lower Costs

Prix-Fixe-Meetings Promotion offers organizations an innovative way to reduce meeting costs over the next six months.

Concierge Conference Centers is pleased to announce its **PRIX-FIXE-MEETINGS PROMOTION**. The 6-month promotion (October 1, 2009 to March 31, 2010) offers participating groups the opportunity for unlimited meetings for one fixed price. The Prix-Fixe-Meetings pricing is based on the number of seats purchased ranging from ten (10) to fifty (50) seat blocks.

An organization with a 20-seat block, for example, can schedule unlimited meetings (Monday-Friday, excluding holidays) for a fixed price of \$22,000. The Prix-Fixe-Meetings Meeting Package includes one (1) conference room, continuous Coffee/Teas, and standard audio visuals. These promotional rates are NOT applicable to existing bookings.

Is Prix-Fixe-Meetings for your organization?

We will work with you to verify that Prix Fixe is suited to meet the needs of your organization. At no cost, we will review your existing and forecasted meeting demand to gain an understanding of your meeting and event venue needs over the next 6 months. We'll also provide a survey tool for you to canvas upcoming needs for internal colleagues' meetings and events.

Same-time, same-place meetings at Concierge Conference Center also offers low-cost tools to link remote participants who only require a short time interaction with the convened groups. This tool reduces time and travel expenses for the remote participants.

How to Buy Prix-Fixe-Meetings

In today's recovering economy, organizations seek ways to compete at new levels without draining their bank accounts. While a fully pre-paid package offers the highest cost savings, we also offer Prix-Fixe-Meetings **Monthly Payment Plan** — designed to take away the “full payment up front”. This program makes it easy to extend business meeting and training venue costs over the 6-month program. First and last month payments are due at start-up; additional payments due in advance of each upcoming month. Monthly plan payments are:
